All WANN Tho Harly

THE Sanitary Board at its meeting on Thursday appointed a committee to draw up lerests of safety it was deemed better to detain by-laws under the Insanitary Dwellings the Sutley till the morning for examination. Ordinance. The task before the committee Accordingly, the first thing in the morning. is an important and delicate one. The Or- tom and, their report being satisfactory, the dinance authorises the Board to make by. Sutlej departed for China.-The Sutlej arrived renomination. Even as it is, he would have prelaws (i.) for prescribing the material and the at Hongkong on the 1st inst. nature and thickness thereof to be used for covering over the ground surface of all build- | E Wodehouse, there were an unusual number of ings and their curtileges; (ii.) for fixing the minor criminal cases. There seems just now to number of persons who may occupy a do- tions, unlicensed bawking, and water wasting mestic building; (iii.) for prescribing the one Chinaman, Lie Fong, being fined \$20 material to be used for enclosing the space | yesterday for this last offence. There was to be left above any partitions, (iv.) for the terday in that the tables were turned. One periodical entry and inspection of buildings; Ng Tuk, a carpenter, was arrested (v.) for promoting cleanliness and ventila. charge laid by Tsei Tung and Tsei Un, tion in domestic buildings and for the removal of refuse; (vi.) for prescribing the peared that the three men had been gamconditions under which basements any side bling together and Ng Tak had won some of which abuts on the earth may be used; (vii.) for the prevention as far as possible him and took the money from him, and then in or mitigation of any epidemic, endemic, or order to prevent their own arrest, trumped up a contagious disease. The Ordinance provides | contagious disease. The Ordinance provides | up. His Worship fixed the two complainants unless the ground surface be covered for bringing a false charge. The money not probably, thinks the same. Mr. Bogaardt, interesting remarks and the meeting closed in encountered, July 28, 1894 a gale in with a layer of impermeable material to the but-just as his Worship was about to leave the refuse to accept renomination. When Dr. Brown satisfaction of the Sanitary Board, and it is Court Mr. J. Hastings, of Mr. V. H. Deacon's passes. though Hongkong he is to try to CUTLER, PALMER & CO.'S VINTAGE left to the Board to prescribe by its by-laws office, put in an appearance for the prisoners and be used. Some discussion may be expected open it. His Worship also allowed bail in an on this point. Nine inches of concrete has been mentioned as the probable requirement, but some persons will probably be of opinion that a smaller thickness would be sufficient. The cost to landlords of putting in these gonable weather coming when most wanted in impermeable floors will of course be con- some districts, the general outturn of the harvest, siderable, but the improvement is expected fair average one, but the season is a comparativeto have a very material effect in raising ly late one, and it will be fully a month yet bethe standard of public health: It will be fore our market is in full swing. The samples the duty of the Board in drafting the spoken of. As anticipated in our last report, by-laws on this subject to make the re- with a well maintained demand from China, prices quirements as stringent as the circumstances may seem to require while at the same have displayed considerable activity for forward time avoiding throwing unnecessary ex- deliveries, and exchang as well as charters have plain truth is that the Secretary of State's good vintages. We would call special attention after the passage of the meteorite. pense on the owners of property. As to fixing Ordinance that the minimum space for each adult is to be 30 square feet of floor cubic feet of air space. the Board in required to regulate by its by-laws is the number of persons that may occupy any particular house on this basis. With regard to inspection, the Board is authorised to order inspections at any time, and the by-laws now to be made will regulate the conditions under which the inspections are to be carried out. be narrowly watched, for unless the great discretion it is possible that a very undesirable if not actually dangerous state of the native community. The by-k-we presments may be used will also be scarned with interest. The Ordinance provides that it

an any basement any abute on the earth or soil. D'Aro's Marjonettes to-day. Court this morning. occupation subject to sufficient provision

difficult to make areas on the slope of the hill that will not admit the water in heavy be rains. In some parts of the town where houses were built they may now be seen tiled over on this account. The difficulty, however, will probably not be found insuperable when it is examined by architects and engineers. The last in the list of subjects which the Board is authorised to make by-laws upon is the prevention and mitigation of epidemic, endemic, or contagious disease. Under the Public Health Act of 1887 it is provided that when-

ever any part of the colony appears to be threatened with or is affected by any formidable epidemic, endemic, or contagious 'disease, the Governor with the advice of the Executive Council may by proclamation direct that sections 32 to 37 of the Ordinance shall come into operation. These sections authorise the Sanitary Board to make by-laws and confer the necessary power waiting for the Governor's proclamation in taking away any little valuables they could find, waiting for the Governor's proclamation in taking away any little valuables they could find, on each case and he would like to see what contains the first to be what for the covernments seem to be what for the description of the covernments seem to be what for the covernments seem to be covernments. ALMOND ROCK for the enforcing of such by laws. Under ASSORTED the new Ordinance the Board is authorised threatened with such disease. Under the Public Health Ordinares the basis. The estimates were then carefully extend to a vintage with such disease. Under the public Health Ordinares the basis and the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and were sentenced by the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult, and the considerable success anything but heartfelt joy for the Madagascar Magistrate on the 28th ult. Public Health Ordinance the by-laws made helped them and brought them to Sandakan. by the Board under the sections above named ceased with the withdrawal of the Governor's proclamation, but now, if the kept permanently on a war foo ing against bities on the Board and endows it with large powers. The Governor has foreshadowed powers. The Governor has foreshadowed powers are now works and the preduced a bottle of fire or other agencies, since the closing up of the beautot the average standard. At the present to be up to the average standard.

HONG KONG SHANGHAL, CANTON TIEMTSIN, AND HANKOW.

WARLIKE EXPLOITS OF THE MERCHANT NAVY. by J. FET ERSTONHAUGH. Cope S. James - - - | mg | 5 | b | -Published at the Hongrone Daily Press Office, and to be had from all Booksellers. Hongkong, 21st December, 1894.

Bartholomew's Hospital, no one could possibly have had a more violent cough; it was so had at times that

it quite exhausted me. The muons, which was very copious and hard, has been suftened, and I have been able to get rid of it without difficulty.—I am, sir,

UTTERLY UNRIVALLED.
UTTERLY UNRIVALLED.
The above speaks for itself. From strict inquiry
it appears that the benefit from using Kenting's
Cough Lozanges is understated. The operation was

pecially severe one, and was performed by the pecialist, Dr. H. T. Butlin, of St. Bartholomew's

Hospital. Since the operation the only means of re-lief is the use of these Lozonges. So successful are they that one affords immediate benefit, although

rom the nature of the case the threat irritation

NOW ON SALE

MPERIAL QUARTO. the United States or Canada. Rates may be ob NGLISH AND CHINES! WITH THE PUNTI AND MANDARIN.

Passengers holding through ORDERS TO PRONUNCIATION. An Anglo-Chinese Dictionary, published at the EUROPE have the choice of Overland Rail Daily Press Office, Hongkong. For comprehensiveness and practical service Southern Pacific, Central Pacific. this Work stands unrivalled. All the new Union Pacific, DENVER AND RIO GRANDS words which the Chinese have of latey ears been compelled to coin to express the numerous of CANADIAN PACIFIC RAILWAY on payment of jects in machinery, photography, telegraphy, \$10.00 Gold in distincto the regular teri ffrate. and in science generally, which the rapid advance Passengers holling orders for OVER-LAND CITIES in the United States have. of foreign relations has imposed upon them, are between San Francisco and Chicago, the option here given in extenso. Each and every word iof the Southern Pacific, Central Pacific, fully illustrated and explained, forming exercise UNION PACIFIC, DENVER AND RIO GRANDE for students of a most instructive nature. Both and other direct connecting Railways, and from the Court and Punti pronunciations are given Chicago to destination the choice of direct lines, the accents being carefully marked on the best Particulars of the various routes can be had principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size Special rates (first class only) are granted to

of body, thereby effecting a vast economy of space, achieving a clearness not proviously attained, and dispensing with those vast margine and vacant spaces which have heretofore characterised Chinese publications. To illustrate the vast scope of the work the following facts are submitted for consideration :to San Francisco, to Atlantic and Inland Cities Chalmers Vocabulary contains about 16,000

of the United States, via Overland Railway, to Chinese characters, and Medhurst's English Havana, Trinidad, and Demorara, and to ports and Chinese Dictionary about 100,000, whilst in Mexico. Central and South America, by the this work contains more than 50.000 English words, and upwards of 600,000 Chinese charac-Freight will be received on board until 4 P.M. ters. Again, despite all the grammars and Maps and Plans, pp. 1130, £1.5. Directory only the day previous to sailing. Parcel Packages other elementary works as yet published, the pp 780, 15s. will be received at the Office until b P.M. same student of this difficult language absolutely reday; all Parcel Packages should be marked to quires examples to display the various applications and equivalents of different words which and can be had from, and Advertisements sent Consular Invoices to accompany Cargo des- have one general meaning. Of these examples through this work contains more than five times as London Mr. F. Algar, 11, Clement's Lane many as any other Dictionary hitheric pub. London.... Messes. John Haddon & Co.,
Bouverie House, Saliabury Sqr.

For practical purposes the arrangement of the work is no complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very lew indeed of them are perfectly acquainted. To parties resident in England and interested MELBOURNE. Messes, Gordon & Gutch China it cannot but be invaluable occasion-

It comprises upwards of two thousand large quarto pages. 1MPERIAL QUAETO, Price, \$20. A Large REDUCTION in PRICE is made to Purchasers of SIX or more Copies. GENERAL AGENTS in CHIMA and LONDON: THROUGH BILLS OF LADING for NATAL, TRUBNER & Co., 60, PATERNOSTER ROW.
